## NewYork Weill Cornell Medical Center Alumni Council

*Membership is open to current and former:*

- Physicians at NewYork Weill Cornell Medical Center who are graduates of a medical college other than Weill Cornell
- Scientists and healthcare professionals involved in medical training at the Medical Center
- Faculty members of the Weill Cornell Medical College
- Members of NewYork Weill Cornell Medical Center's administrative leadership.

## Our History & Mission

Founded in 1976, the NewYork Weill Cornell Medical Center Alumni Council (CAC) was formed to strengthen the bonds of collegiality and fellowship among the many healthcare professionals who play a vital role in the day-to-day life of

the Medical Center. These widely respected members of our community dedicate their professional lives to the Medical Center and have an interest in its future.

The guiding principles and objectives of the CAC are to build a comprehensive program for its membership that improves the general quality of life at the Medical Center and promotes communication between the Center and its members.

### The CAC's main objectives:

- Provide services that support and promote advances in the educational, research and clinical missions of the Medical Center
- Foster close relationships among members through social events
- Encourage the coming together of current and former faculty and staff members of both the Hospital and the Medical College.

## Our Present

CAC Members are among the most active medical professionals at the NewYork Weill Cornell Medical Center.

### Annual membership dues of just \$65\* provide a number of privileges:

- A complimentary subscription to *Weill Cornell Medicine*, *NYPres* and *The Scope*.
- Eligibility to join the Griffis Faculty Club, which provides reciprocal privileges at the Cornell Club (6 East 44th Street)
- Onsite library privileges at the Samuel J. Wood Medical Library/C.V. Starr Biomedical Information Center
- Invitations to a series of CAC Events, including the Medical College's Biennial Alumni Reunion Weekend.

Your annual dues also provide for activities that enrich the quality of life for residents, fellows, and other trainees at the Medical Center. Some of these programs include annual awards for outstanding Housestaff and grants to defray the cost of Housestaff attending professional conferences and meetings.

\*Dues are waived for retirees. Dues for the first three years after completing post-graduate education or fellowship are \$15. First year complimentary membership for housestaff.
