

ABS Policy

- MD/PhD's are exempt from both the ABS course and the 4-week research/or teaching requirement. MD/PhD's are also exempt from the 4th year elective requirement.
- Students who matriculate at WCMC with an earned PhD in the biomedical sciences are exempt from both the ABS course and the research/or teaching requirement. They must take 16 weeks of electives and a sub-I in Medicine or Pediatrics.
- Students holding PhDs in non-Biomedical Science subjects (such as Physics) must take the ABS course and complete the ABS research/teaching requirement.
- NOTE: All exemptions require the approval of Dr. Pardee (exemption signoff is on the reverse side of the blue ABS form).
